Deep in December,
It's nice to remember,
The fire in September,
That made us mellow.
Deep in December
our hearts should remember
And,
Follow,
Follow,
Follow...

The Brothers Four

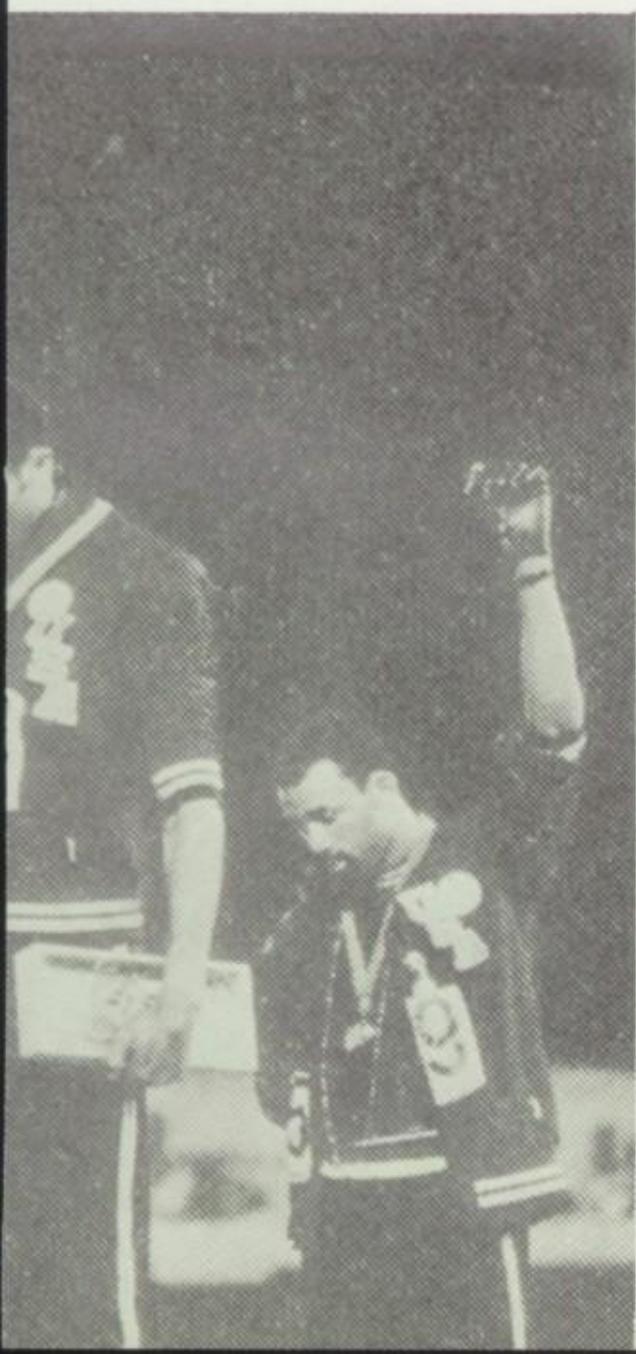

You ask me why I don't smile
Is there somethin troublin me
Just open your eyes and look around
And tell me what do you see.

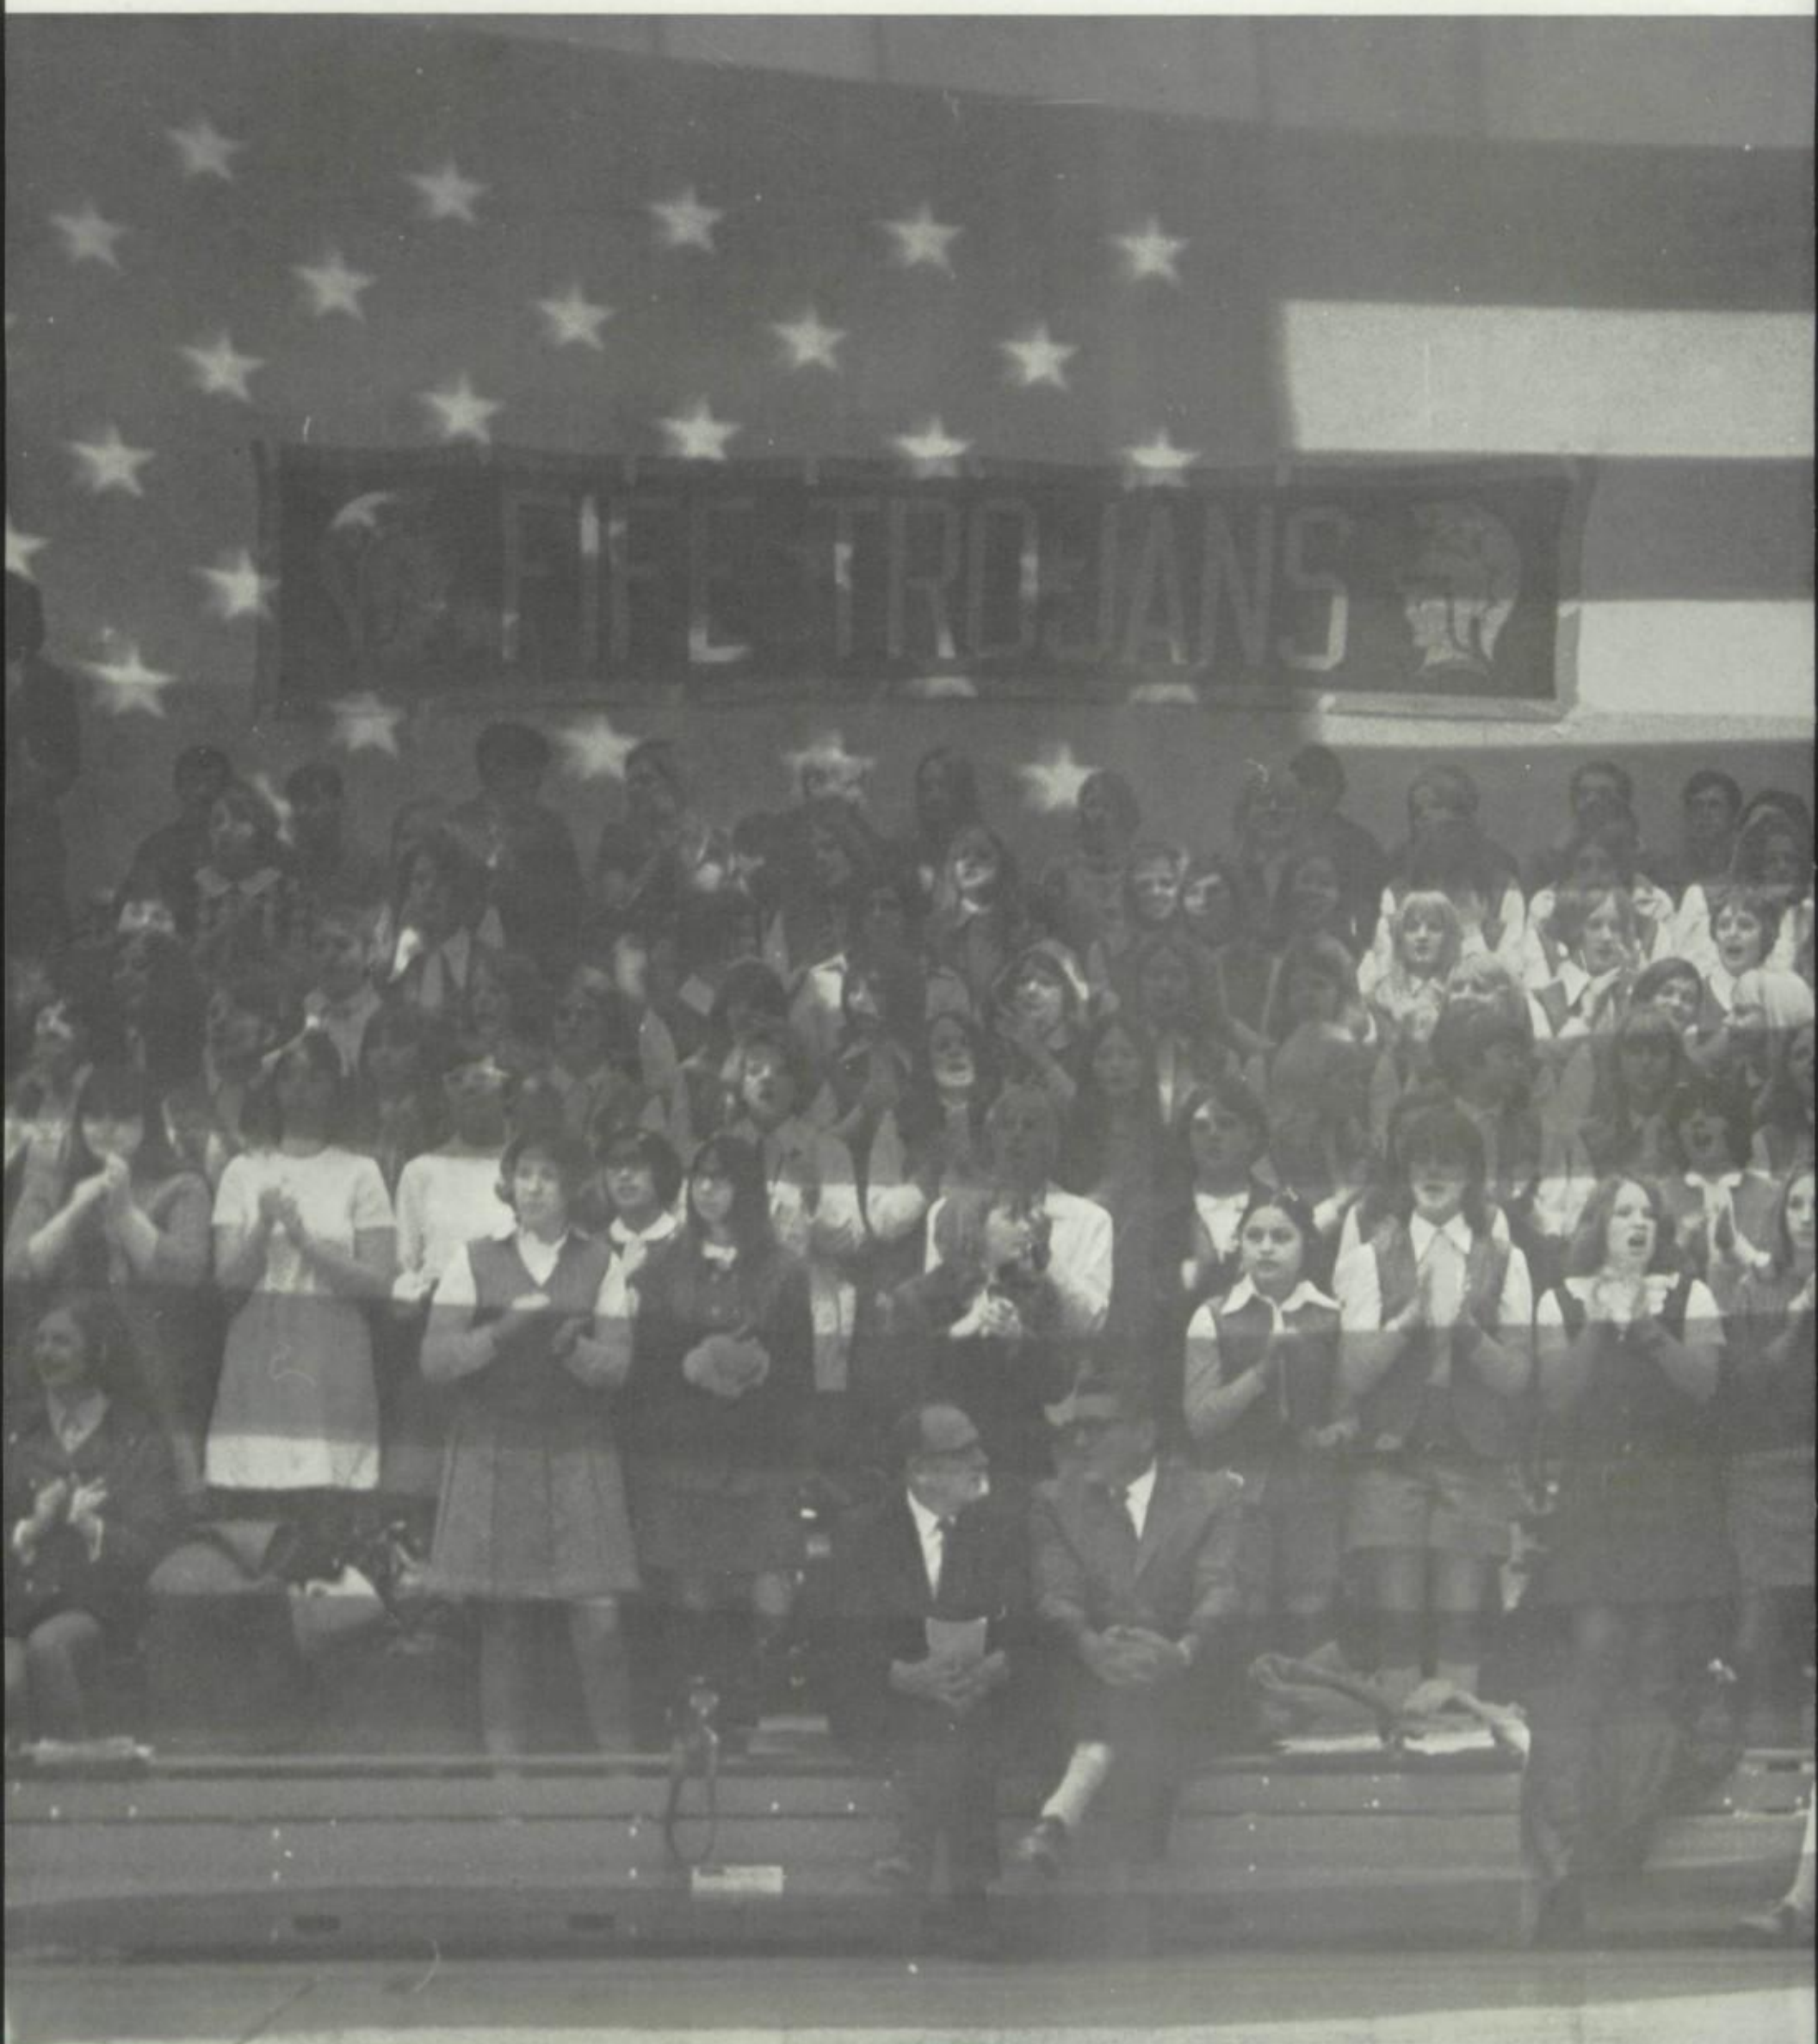

Can you understand the things people do
And the way they treat each other?
And tell me how far has man really come
When today he's still killin his brother.

Johnny Rivers

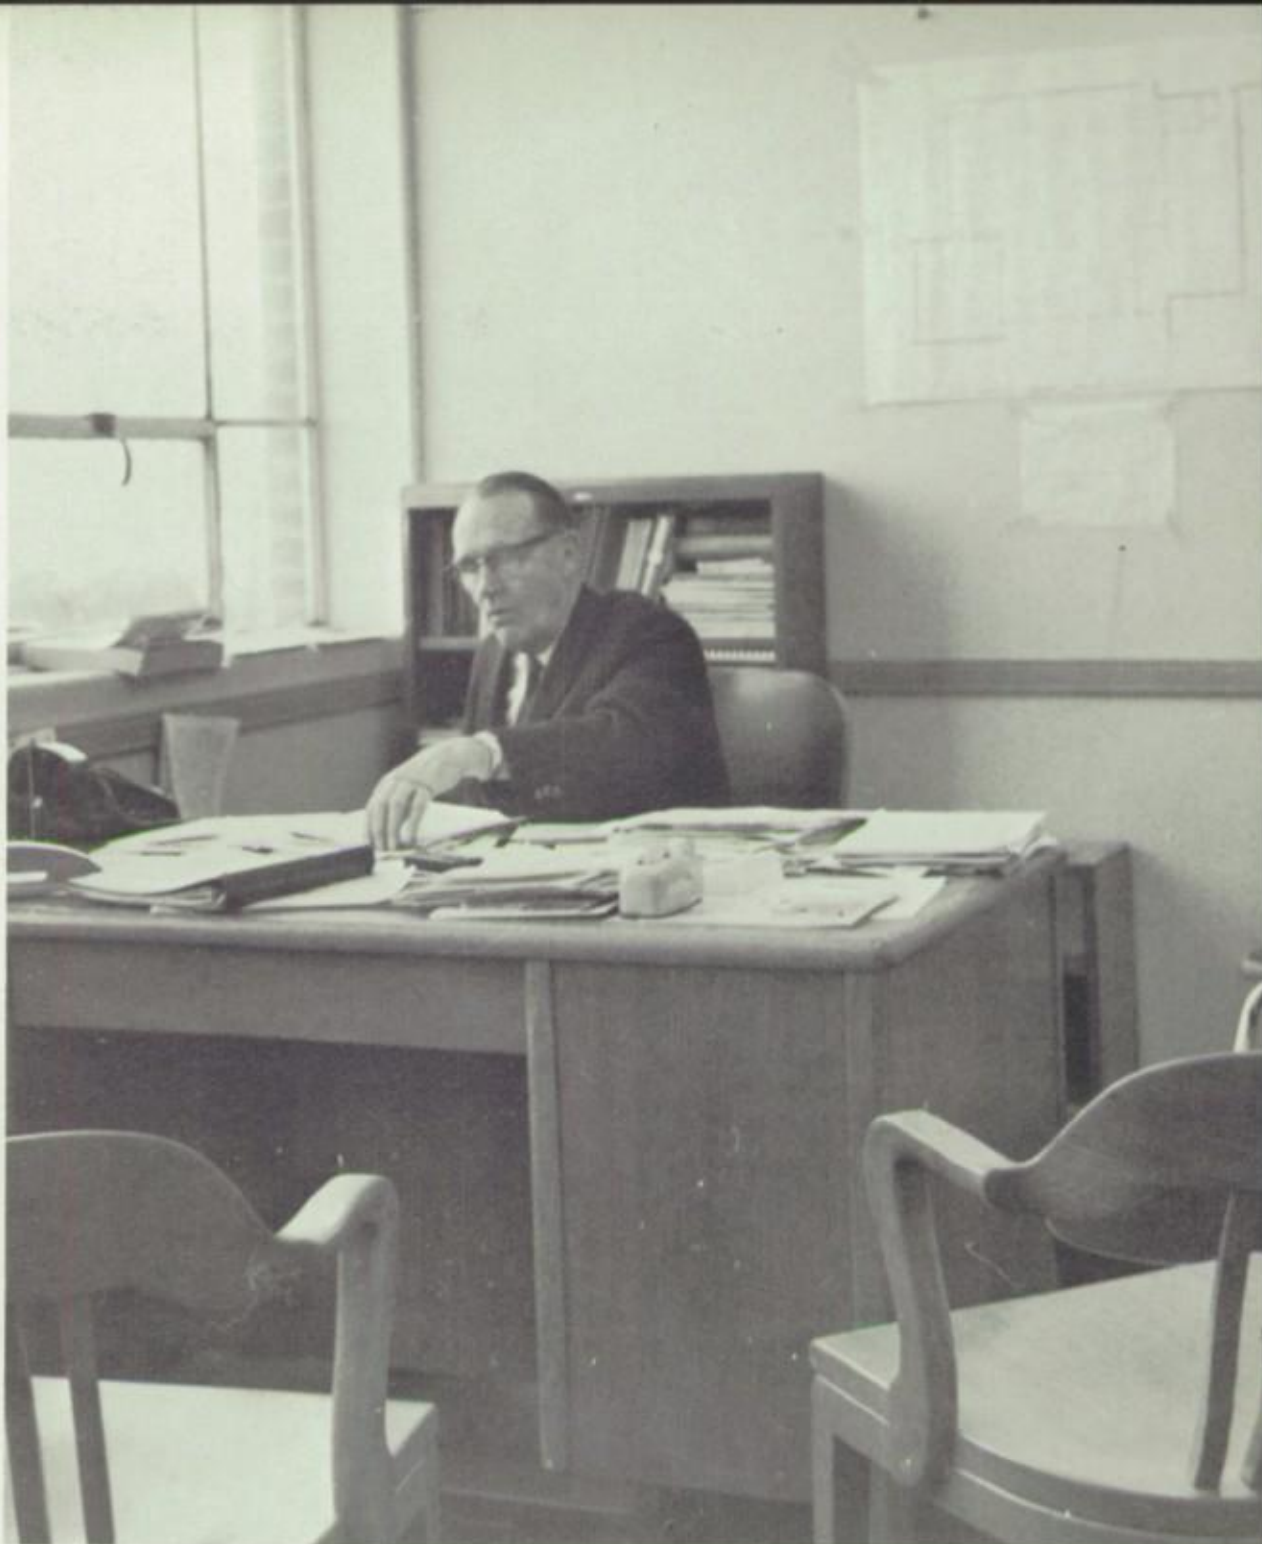

We've Got To All . . . Get Together

Principal,
Marvin P. Belknap

This Book Is Dedicated To you, Mr. Belknap

Mr. Belknap, Principal of Fife High School from 1945 to 1970.

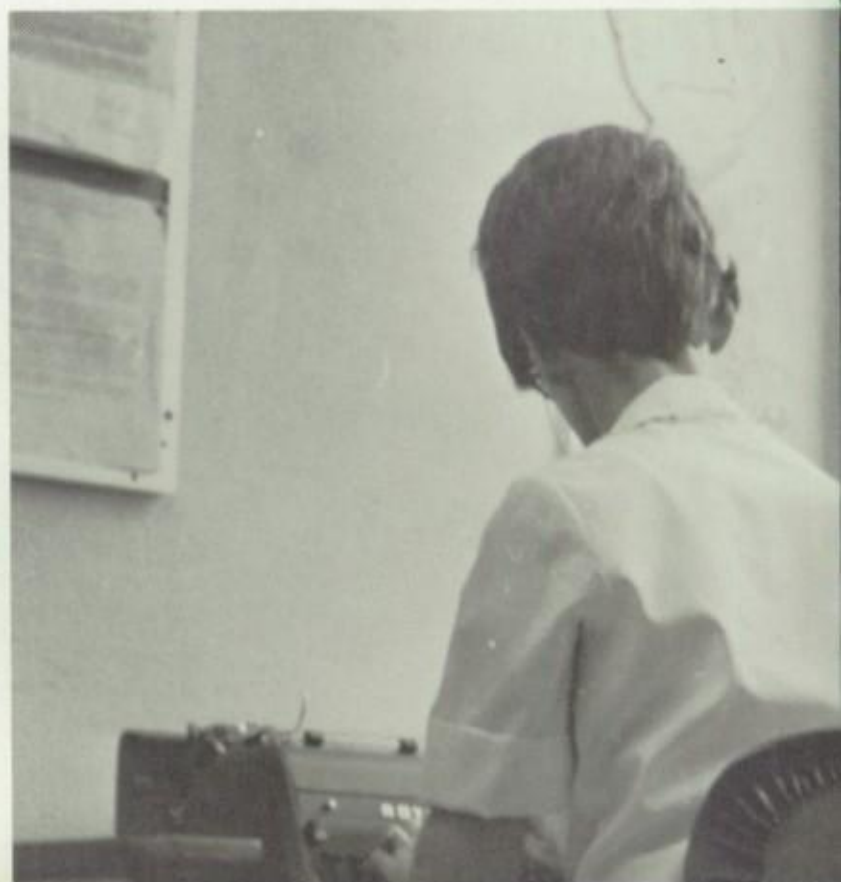

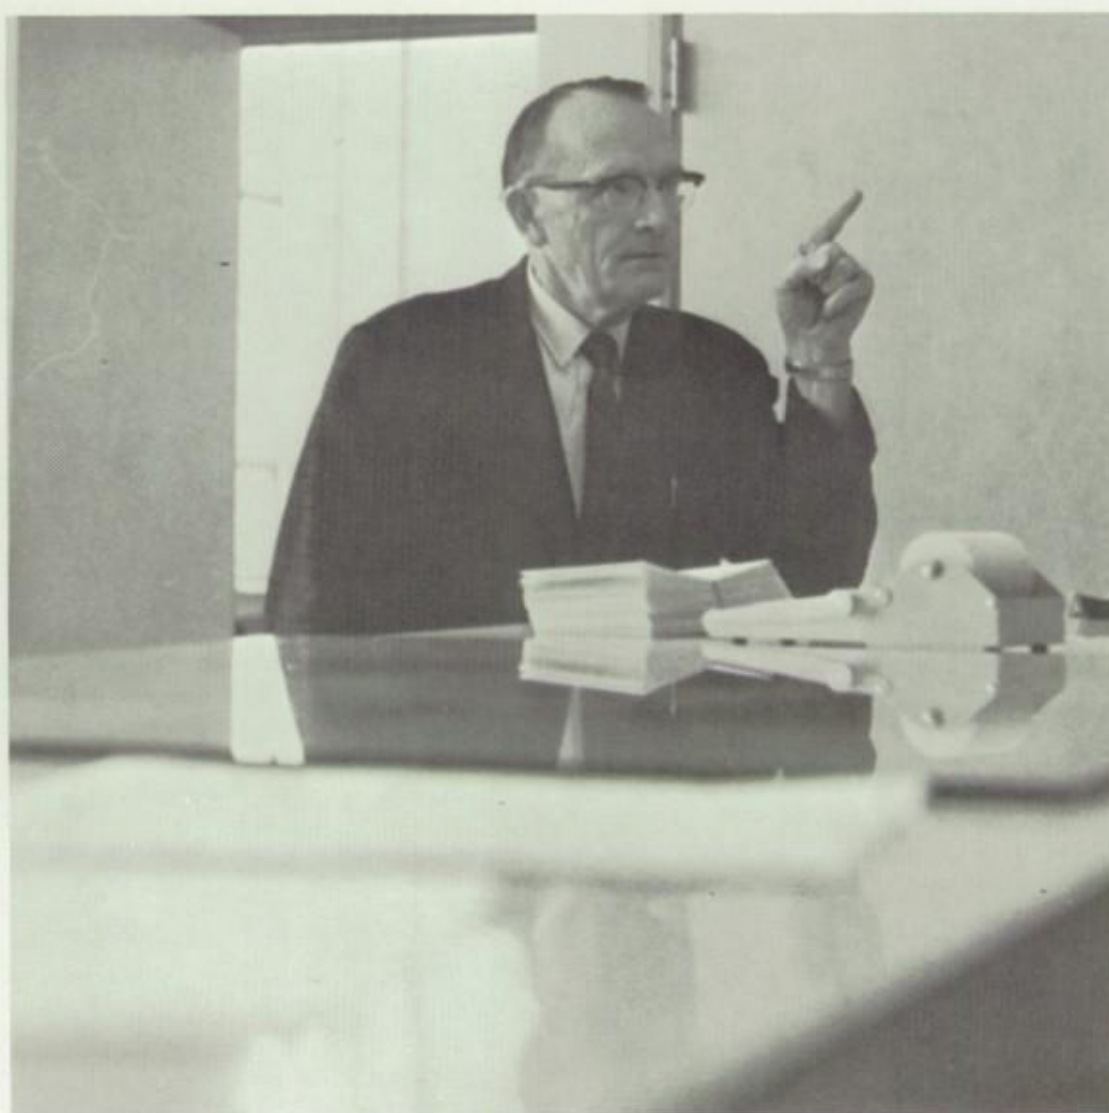

For years you have shown your ability and willingness to supervise and lead, not only the faculty of Fife High School, but also the students.

As our principal, you've shown us that a school is not only a place to learn how to read, write, and study history and math; but also a place to learn about people and how to work together.

Fife High School will never say good-bye to you, Mr. Belknap, because the memories of what you have done for our school will always linger in the halls, in class, and be present at every activity.

We sincerely hope that your memories will always hold "Fife" in a very special place in your heart.

And so you can see I have come to doubt
All that I once held as true;
I stand alone without beliefs,

Gayl Bramwell

A Little of Australia

That's all Fife
needed for a
successful year!

Gayl's American parents: Mr. & Mrs. C. Fikse.

Gayl's American brother and sister: Tim and Mary Fikse.

All it took was a little bit of Australian "know-how" to make the Fife High School 1969-70 school year a great success.

All of those who met Gayl will always remember her for her gay personality and warm friendship. She was not just a foreign exchange student; she was one of us-a "Fife" student.

Just as she taught us about Australia; so shall she teach her homeland of ours. We hope she will hold true the memories that were gained in her year as a senior at Fife High School.

J. Vukovich, Sgt. at Arms; R. Johnson, Vice Pres.; G. Wilhelm, Sgt. at Arms.

Seniors: “We Feel Good”

Beginning the year with a lot of enthusiasm, the class of '70' won Best All Around honors at the A.S.B. assembly, and \$45.00 to add to their treasury.

Homecoming brought much excitement with the theme, “The Gay 90's.” Can-Can girls, helium balloons, and a ragtime band attracted much attention.

During the holiday season, the feeling of goodwill spread throughout the class and the upper Senior High hall became a forest of Christmas spirit.

Graduation brought more than excitement. It brought a feeling of adulthood, happiness, sadness, and hopes that Fife High School will never forget the class of '70'.

Juniors Find Success

The tide of '70 came in bringing with it a winning A.S.B. skit (Juniors delightful portrayal of a Lawrence Welk performance). Then, the surf marooned, leaving with the grains of sand, the responsibility of building their very imaginative second place homecoming float (football and helmet telling of Centennial days).

Further up the beach lay Christmas, with the class enthusiastically transforming the lower hall into a holiday dream. As the tide turned to leave, the Junior class helped it to bid farewell to the Seniors by presenting them with the prom.

When the tide departed, it united the grains of sand to form a solid and everlasting rock.

Sophomores Ramble On

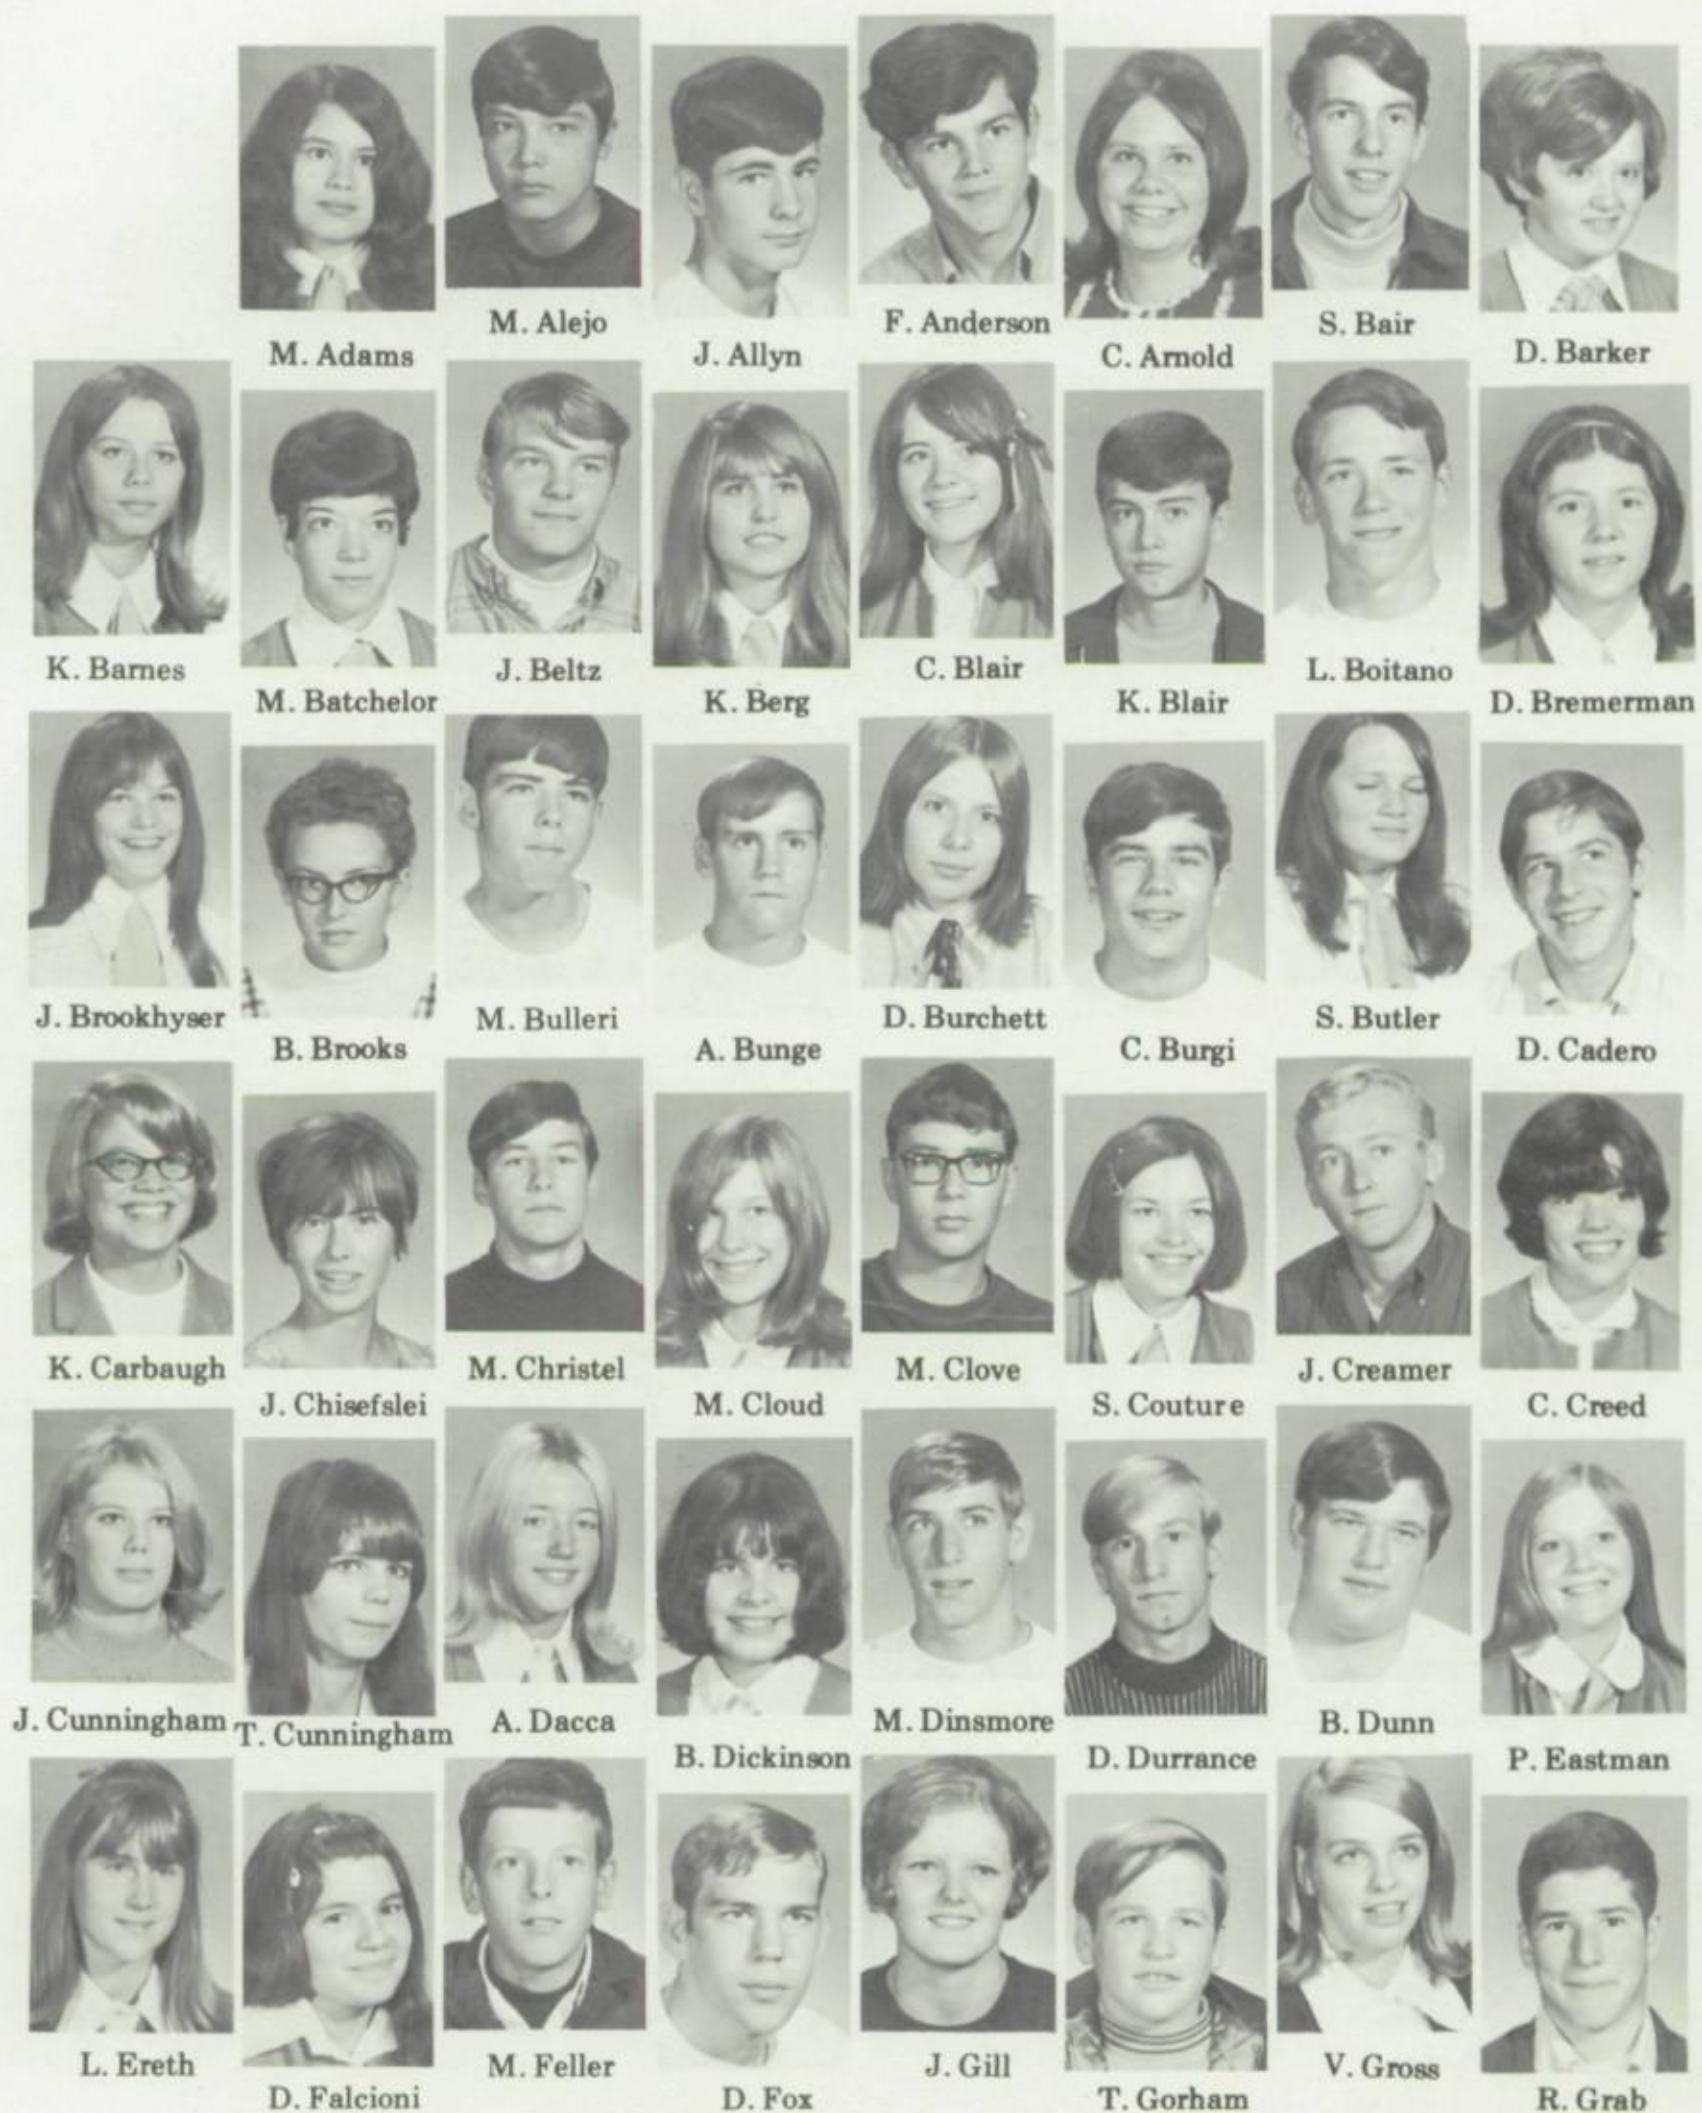

Scaling the limbs to success the class of '72 achieved new heights. Stemming from the leadership and enthusiasm of the class officers, their spirit and attitude far exceeded that of any previous Sophomores.

The first colorful leaves of accomplishment shone bright as the Sophomores won the first yell competition Spirit Stick and later proved that their spirit and creativity was superbly organized by winning first place at the Homecoming Parade with a well constructed Covered Wagon.

The efforts of a Sophomore class have never bloomed before as they have this year with the class of 1972.

Freshmen '73

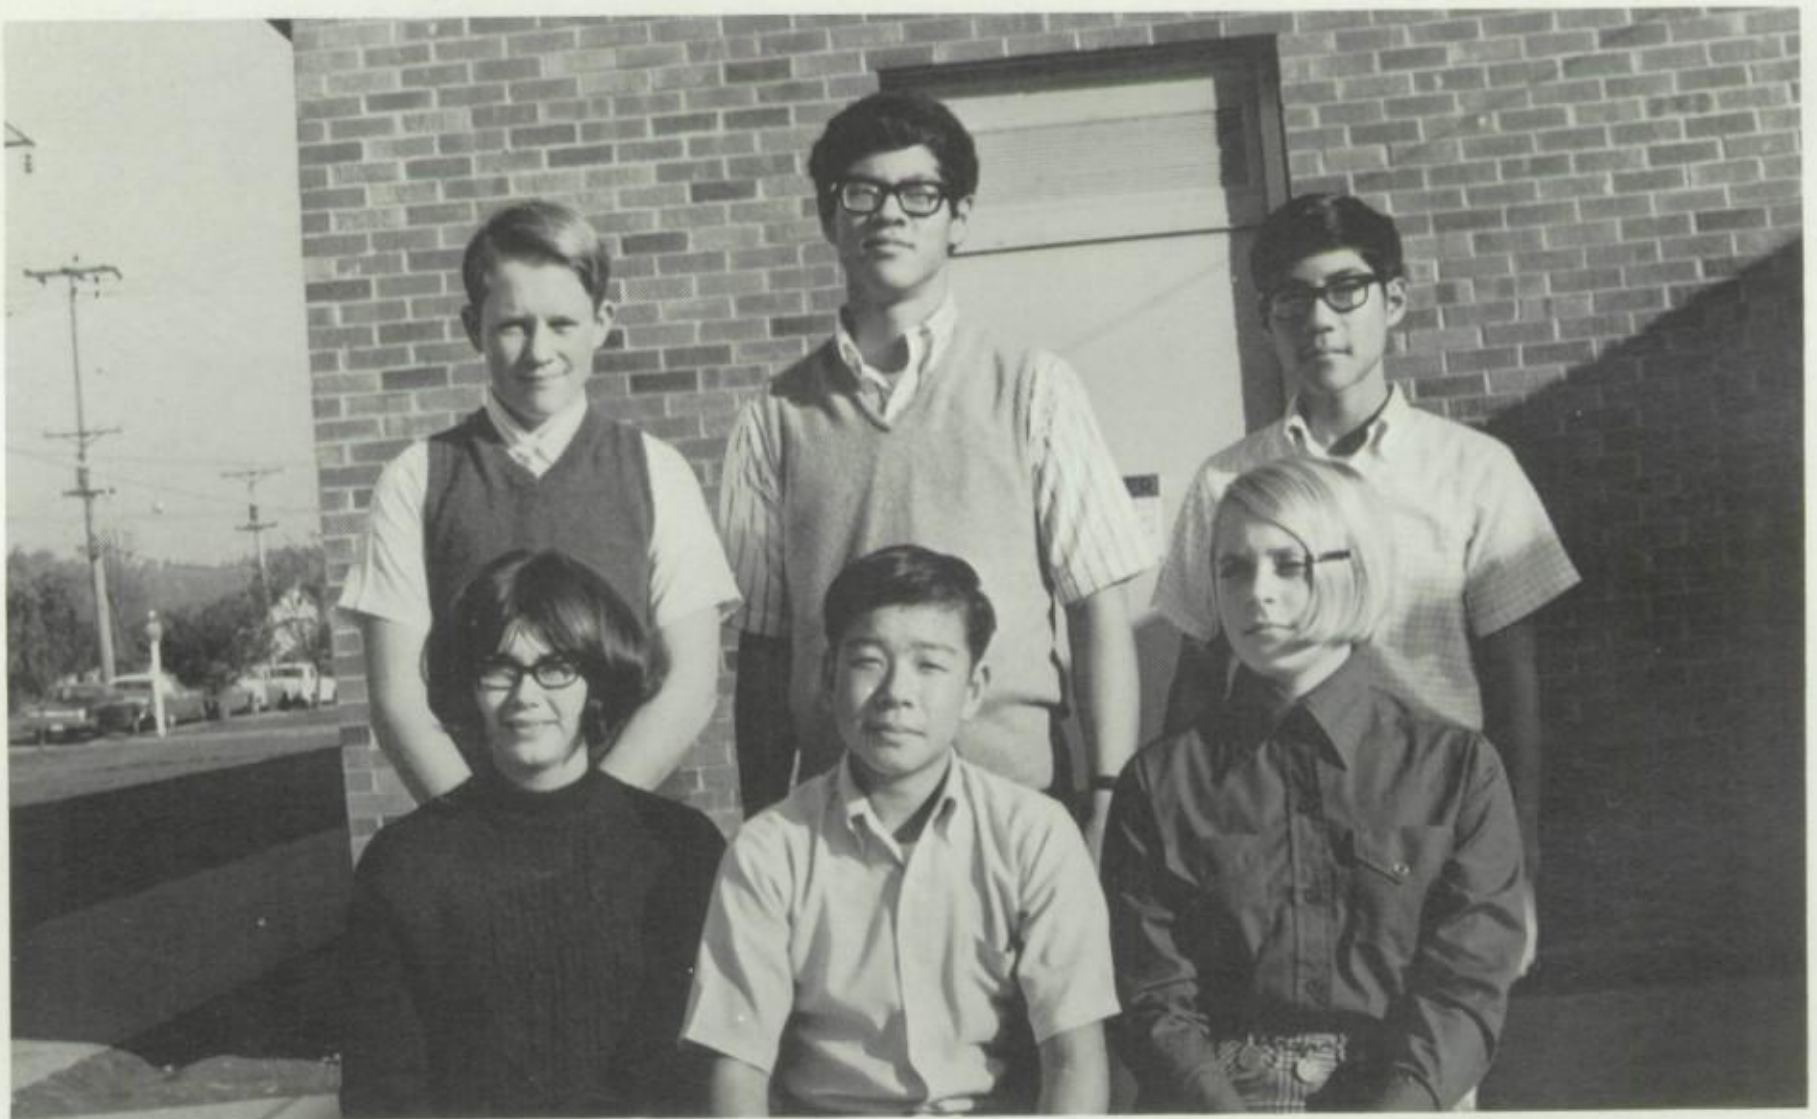

Advisors: Mrs. Marlene Nelson and Mr. Nelson Eddy

Being included in the High School A.S.B. ticket sale assembly for their first time, the Freshman class showed enthusiasm and originality and gained experience for their Sophomore year.

For Homecoming, the Class of '73 showed their enthusiastic spirit by displaying the "Olympics" as their theme.

Decorating the annex halls for Christmas boosted the Frosh spirit. New ideas were gained and the sense of responsibility grew.

Throughout the school year, the Freshmen worked together and united themselves as the Class of '73.

"Watchful waiting"

The team this year, as in the many previous years, gained the all-important experience that is needed to become a good football player. Mr. Pulicichio, in his first year of coaching football at Fife, did a wonderful job. He helped the players learn the right moves and stances. During the workouts, after school throughout the week, and on Mondays during the games, the members of the team improved to the position where they were able to win some important games.

With many new players and few returning lettermen, the golf team had its best season since being incorporated into the sports activities of Fife. It was not a highly successful season, but provided the underclassmen the all important experience they will need the next few years of playing golf for the Fife golf team.

So this is what they call Golf!

Torch Club

The requirements for membership in Torch Club are to maintain a 3.0 grade point average and to attend Fife for one semester.

The Senior members who strove to reach this goal were honored at a banquet in the spring and again at graduation, when the National Honor Society patches were placed on their gowns.

Officers, ROW 1: D.Tanabe, Secretary; D.Nelson, President; K.Bettinzoli, Treasurer; J.Ereth, Vice President; M.Cloud, Historian; P.Doty, Vice President.

Key to Good Health

Meeting once a week, to stay in shape and have fun, was the Girls Athletic Association. The girls learned to combine good sportsmanship with fun as they played volleyball, basketball, and went bowling.

In the spring the annual banquet was held to initiate new members and give the girls their awards.

Those receiving letters for the various sports, can be proud to be members of the Fife High Letterman's Club. With their lively initiations and other sponsored events such as dances, car washes, and raffles, their efforts were quite profitable.

Their annual sports banquet has proven to be the height of it all in the eyes of the Senior Letterman, with a short commentary of their participation in athletics at Fife High School.

During the year, the Drill Team has participated in Homecoming, half-time breaks during football and basketball games, and the Daffodil Parade.

Doing such things as washing windows, selling tickets at sporting events and other activities, and promoting good citizenship are the Trojanettes. Their time and devotion is appreciated by many around the school and community. They deserve much recognition. Many thanks can go to this group and their advisor for their efforts.

Setting up chairs for assemblies, school programs, and guarding the doors at basketball games are some of the duties of the Trojan Knights.

This year new jackets were obtained and the sophomores were able to introduce the new color of navy blue. This group does their share of the work and are becoming the backbone of our school and community.

LEFT TO RIGHT: Mr. Eacrett, Advisor; R.Hopkins, G.Ramsey, R.Fealy, J.Leitheiser, L.Hansen.

Though receiving little recognition, the boys on the parking crew deserve many thanks. They directed cars to parking places at such events as football games, and graduation. This group of boys and their advisor, Mr. Eacrett, are really appreciated by all that come in contact with their services.

Through the dedication of the annual class, in work and planning, many new ideas were added to the 1970 Trojan. The Senior class picture on the end sheets, the photo essay, and even more pages, were some of them.

We sincerely hope that this annual will bring you pleasant memories of the past year. Also, the Class of '70 wishes that next years annual will be as successful.

"Learning to do; doing to learn. Earning to live; living to serve." This is the motto used by the Future Farmers of America.

Whether planting daffodil bulbs or maintaining the machinery pool, FFA boys have left their mark of service on the school.

To develop competent, aggressive rural and agricultural leadership, and to create an intelligent choice of farming occupations is the purpose of FFA. The Fife chapter has always done their best to reach this goal; winning many prizes and ribbons for their efforts.

With the outstanding record of 6-3-0, the Sabres closed their season in fine style. Though their potential was not as experienced as last year, they grappled as fine as any team in the league and should be proud of their season.

For the majority of the squad members, this will be their last time to wrestle in Junior High, and it will be a big change for them to become Senior High Matmen.

Students Tackle Problems With Success

Tom Dixon Speaks to STP Club.

This year a new club was added to Fife High School. The club is dedicated to helping underprivileged people. The members demonstrated this by visiting St. Annes Orphanage several times, with their great work. A picnic was given for the children of St. Annes and clothes were given to those at Remann Hall.

To provide funds for their fine projects the STP sponsored a bake sale and took the concession stand at many of the wrestling matches.

Mrs. Carol Rose, the clubs advisor, is to be commended for her hard work with the club. Two members, Janice Cole and Janice Berg were given the most active members award.

The STP first year proved to be a great year and they are ready to tackle the problems of 1970-1971.

As the year comes to a close, the best of luck goes to the graduating seniors as they go on their way. Best wishes are also extended to all who remain at Fife.

With the resignation of two teachers, Miss Rosalind Olson and Miss Jan McLaughlin, and the retirement of our principal, Mr. Marvin Belknap, extended thanks and gratitude is expressed for their accomplishments while they were at Fife.

We, the 1970 Trojan Staff, hope we have captured memories of a lifetime for everyone.

With deep appreciation, the 1970 Trojan Staff wishes to extend special thanks to the following for helping to make the yearbook possible: Mr. Donald Gray, Trojan Advisor; Mr. Claude Harta of Harta Studio; Mr. Frank Gustafson for his help with the photography; Mr. John Dominis, IOPP, for the Olympic pictures; Life Magazine for the pictures used in the photo essay; Mr. Jim Palm of American Yearbook Company; and Mr. Marvin Belknap for his outstanding cooperation.
